3.3. The Website uses the Yandex.Metrica web analytics service provided by Yandex on the following terms:

3.3.1. The Yandex.Metrica web analytics service uses Cookies.

3.3.2. Information about the Visitor's use of the Website collected through Cookies is transferred to Yandex and stored on Yandex servers located in the Russian Federation. Yandex processes the information received to evaluate the Visitor's use of the Website and to prepare reports on Website activity.

3.3.3. Yandex processes the information received in accordance with the following documents:

- Cookie Policy available on the Internet at: https://yandex.ru/legal/cookies_policy
- Yandex.Metrica Terms of Use available on the Internet at: https://yandex.ru/legal/metrica_termsfuse
- Privacy Policy available on the Internet at: <https://yandex.ru/legal/confidential>

By continuing to use the Website, the Visitor agrees to the processing of data relating to the Visitor by Yandex in the manner and for the purposes specified in Clause 3.3 of this Policy.

4. Types of Cookies Used by the Company

4.1. The Website and service providers may use various types of cookie files on their online resources:

- **Strictly Necessary Cookies.** These Cookies are necessary for the Website to function correctly; they allow Users to navigate the Website and use its features. These files do not identify Users personally. If a User does not agree to the use of this type of file, this may affect the performance of the Website or its components.
- **Performance, Efficiency and Analytics Cookies.** These files help the Operator understand how Users interact with the Website by providing information about the areas they have visited and the amount of time they have spent on the Website; these files also indicate problems in the operation of the online resource, for example, error messages. This helps improve the operation of the Website.
- **Analytics Cookies.** These files help measure the effectiveness of informational, including advertising, campaigns and optimize website content for those interested in the Operator's information/advertising. This type of cookie file cannot be used to identify the User. All information collected and analyzed is fully anonymous.
- **Functional Cookies.** These Cookies are used to recognize Users returning to the Website. They allow Website content to be tailored individually for Users. If a User blocks this type of file, this may affect the performance and functionality of the Website and may restrict access to Website content.
- **Advertising Cookies.** These cookie files record information about Users' actions on the Internet, including visits to websites (pages), as well as data about links and advertisements selected by Users for viewing. The principal purposes of using advertising Cookies are:
 - to display content on websites that is most closely tailored to the User;
 - to enable advertising or other information to be provided in closer alignment with the User's interests.

4.2. Types of cookie files and cookie retention periods:

- **Session Cookies.** These apply from the moment the User enters the Website until the end of the specific browser session. When the browser is closed, these cookie files are no longer needed and are automatically deleted.

- Persistent Cookies.** These are stored on the device between browser sessions and are not deleted after the browser is closed. The retention period of persistent cookie files on the device varies depending on the cookie file.
- First-party Cookies.** These are placed on the User's device by the Operator when the User visits the Website.
- Third-party Cookies.** These may be placed on the User's device by other operators when Users visit their websites.

5. Purposes of Collecting Visitor Data

- 5.1. Cookies are used by the Company to improve the operation of the Website.
- 5.2. Information about Visitors' actions is processed to improve the Company's products and services, determine Visitors' preferences, and provide targeted information about the Company's products and services.

6. Additional Terms

- 6.1. The Website owner has the right to amend this Policy.
- 6.2. A new version of the Policy enters into force on the date it is posted on the Website, unless otherwise provided by the new version of the Policy.
- 6.3. The current version of the Policy is available on the Internet at: <https://mirodom.com/legal-information/cookie-policy>
- 6.4. If the Visitor has any questions related to the processing of the Visitor's personal data or the exercise of the rights of a personal data subject, the Visitor may contact the Company by sending a request to the following email address: info@mirodom.com. The response period for such a request is 10 (ten) business days.
